

Area Dressage Qualifier held on 30th July, Sevenoaks

Following many inspirational lessons from Moya Wooller I went to the Area Qualifier as an individual competing in the prelim dressage and riding test competitions riding Corkie.

Huge thanks to Moya for her endless patience, she is my gifted and inspirational teacher, thanks to her and lovely Corkie we were 2nd in both competitions, missing winning the riding test by 1 mark but qualifying for the London & South East Championships to be held at Heath Farm, Munstead in September!

Corkie had both his hind suspensory ligaments operated on last January and this qualifier was his first competition since then, his legs held up brilliantly.

Big thank you to Bethan Statham for allowing me to ride her cracking piebald and for helping me to get him ready and also thanks to Kerry Hollands for assisting with the plaiting department.

Now back to more lessons with Moya ready for the Championships!
